7 A Conveyance allowce of a Sum of Rs 30 p.m is far too high for a person who keeps only a bicycle, whatever may be the nature and extent of his work A Sum in the neighbourhood of Rs 10 would be more appropriate

8 If the allowce is to be restricted to the present level, I think the Rev Officer should keep either a Motor bicycle or a Light Conveyance -

OFFICE OF THE PRESIDENT

From

B T KESAVAIENGAR ESQ B A
President City Municipal Council,

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore
B A N G A L O R E

Sir,

I have the honour to state that the Government in their Proceedings No L 5150-3/Ml 12-31-84 dated 21st January 1932 sanctioned a conveyance allowance of Rs 30 to Mr S Siddappa Revenue Officer on probation on the recommendation of the Municipal Council The nature of conveyance to be maintained was not specified at the beginning and in the absence of such specification a cycle only was being used by the Revenue Officer and the duties satisfactorily discharged At the meeting of the Council held on 26th April 1933 a proposition was moved stating that "in view of the fact that Mr S Siddappa the acting Revenue Officer has only been maintaining a cycle and no horse and carriage and has all along been drawing a conveyance allowance of Rs 30 per month resolved that from May 1933 an allowance of Rs 30 be allowed to him only if he maintains a horse and carriage" and the same was carried A copy of the resolution in extenso is submitted herewith

In this connection I beg to state that for the discharge of the duties of the Revenue Officer a cycle will be more useful than a horse as it is easier to go on a bicycle through The maintenance of a carriage and horse will cost much

ildars and Deputy Amildars of the

exempted from the necessity of maintaining a horse

The view taken by the Council in passing the Resolution was that the conveyance maintained should be in keeping with the amount of allowance sanctioned and drawn and that the allowance should not be treated as an additional source of income to the officer They have held the view that it is necessary that a suitable conveyance should be maintained by the officer In the Bangalore City Municipality an allowance of Rs 25 is sanctioned to the Revenue Officer for maintaining a carriage or a cycle in addition to a hired carriage

The point for decision therefore is whether the allowance sanctioned should be in relation to the amount and nature of the work to be done or whether it should also ~~be~~ depend on the nature of the conveyance maintained

I accordingly submit the Resolution of the Council to Government for such orders as they may deem fit to pass

I have the honour to be
